

THE GOLFER'S OWN RESPONSIBILITY ON THE DRIVING RANGE GOLF POINT URDORF

Swiss Golf & Golf Trade ETC AG, Ver. 30, June 25, 2020

Players with symptoms of illness do not play golf

- You stay at home or go into isolation.
- You call your GP and follow his instructions.

With the confirmed practice time, the golfer must assume responsibility for compliance with the following measures:

- All federal council requirements must be complied with.
- Practice times must be reserved and confirmed online (in exceptional cases by phone).
- The name, address, e-mail, telephone number must be provided at the time of reservation. This ensures traceability at all times.
- Players must respect the communicated maximum number of people on the practice green, the short game area and the mats/bays.
- Players must carry a small bottle of disinfectant in their golf bag.
- Players must dry/clean their equipment (clubs, balls, trolley, etc.) themselves.
- Flag poles shall not be touched (Short Game Area).
- Hands should be disinfected after touching the bunker rake, flagpole and the club washing facility.

In case of disrespect, the golfer can be expelled from the facility!
